

Mark Maher Eweida Mikhaeil

(+20) 121-240-7699 • contact@marco5dev.site

Full-Stack Developer with extensive experience in front-end and back-end development. Skilled in JavaScript, React, Next.js, and Node.js, I have a proven record of accomplishment of delivering high-quality, responsive web applications. I am known for my strong problem-solving abilities, attention to detail, and passion for continuous learning. A team player with excellent communication skills, able to work independently or collaborate effectively. Highly motivated and driven, I bring both technical expertise and a creative approach to every project.

Experience

JUNE 2024 – PRESENT

Co-Founder | JEDI Studio

Collaborated with a team of developers to create and launch **Verse.db**, a custom database aimed at improving project efficiency. Built a community around the project and actively contributed to development, driving innovation and success.

FEBRUARY 2024 – JUNE 2024

Freelance Full Stack Web Developer | Mostaqi

Delivered a custom dashboard solution using **Node.js** and **MongoDB** for a client's website. Integrated a UI for easy database management, meeting the client's needs within two weeks. The project was well received, marking a successful entry into freelance work.
